

SILVER STATE SCOTTISH COUNTRY DANCERS

TRUCKEE WORKSHOP & DANCE 2019

celebrating

MARIAN STROH

“THE LADY OF THE LAKE”

Marian, our longest-serving teacher, has had a dance written for her - she deserves many more! Fittingly, she started Scottish Country Dancing in Truckee, and has danced all over the US, as well as in Canada and Europe. Everywhere she goes, she takes her ghillies, her encyclopaedic knowledge of SCD, and her radiant smile!

Teacher

Jeanne Moody

Jeanne started Scottish Country Dancing at Bryn Mawr College, and continued in Portland, Ore., and San Diego, Calif. She wanted to give back to the great and varied community of SCD that had given her so much over the years, so in 2006 she started the process toward becoming a teacher, and has loved sharing the joy of this dance form since then. She received her full teaching certification in 2012. Her regular teaching gig in San Diego is a dedicated beginner's class, with her deepest satisfaction coming from the core group who return every season to welcome new dancers.

It is Jeanne's hope to always make dancing approachable and elegant – “to make the music visible.” May our capacity to celebrate our music, our dancing, and each other always grow!
