Workshop Teacher Gary Thomas May 20, 2023

Dancing has been a passion of Gary's for as long as he can remember. Although his first dance experience was with square dancing and tap, it was in 1977, upon moving to Minneapolis, Minnesota, that Scottish Country Dancing became the "new" craze for him. In Gary's words, "What a wonderful community to be invited into." His teaching certificate soon followed in 1981 and he's been teaching ever since. A new direction followed his arrival in California where, besides teaching, he also started playing piano for classes. Gary is a well-known and highly respected teacher locally and has brought his enthusiasm and teaching skills to workshops in other states as well as Canada, including TAC Summer School. We eagerly look forward to having Gary as our 2023 Sacramento Workshop teacher.

"Dance is the hidden language of the body."

Martha Graham
